PROFESSIONAL SUMMARY

Electronics and Communication Engineering graduate with strong expertise in Java Full Stack Development. Skilled in Core Java, JDBC, Servlets, Hibernate, SQL, HTML, CSS, and JavaScript. Experienced in building database-driven applications and applied object-oriented programming principles. Passionate about backend development, problem-solving, and creating scalable software solutions.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript
- **Backend:** Java, JDBC, Servlets, Hibernate, Spring Boot
- **Concepts:** OOP, Collections Framework, Exception Handling, MVC Architecture
- **Database:** MySQL
- **Tools:** Eclipse IDE, Apache Tomcat, Git, GitHub

PROJECTS

- **Dog Adoption System | Java, JDBC, MySQL** - Built a Java-based application with user registration, login, dog listing, and adoption modules. Enhanced a relational database and executed secure database operations using JDBC Prepared Statement.
- **Student Registration System | Java, JDBC, Servlet, MySQL, JSP** - Created a web-based student registration application with database registration, automatic student ID and QR generation for student details.
- **AI-Powered Respiratory Disease Detection System | Python, XG Booster, MFCC** - Performed data preprocessing, feature extraction, and machine learning workflow automation for respiratory disease classification.
- **Online Shopping System | Java, JDBC, Servlet, MySQL, JSP** - Implemented a web-based shopping platform with user authentication, product listing, Wishlist, cart, and session management.

INTERNSHIP EXPERIENCE

- **Web Development Intern | Renix R&D; Pvt. Ltd., Bangalore** - Developed 5+ responsive web pages and built 10+ interactive UI components, including forms and navigation menus, using HTML, CSS, and JavaScript.
- **AI & Web Development Intern | Novi Tech R&D; Pvt. Ltd., Coimbatore** - Streamlined data preprocessing workflows for 1,000+ audio records while contributing to the development of 5+ responsive web pages, supporting machine learning applications and enhancing overall system efficiency.

CERTIFICATION

QSpiders - Software Training Institute | Chennai

Java Full Stack Development (Java, Rest API, Spring Boot, SQL, HTML, CSS, JavaScript, JSP, JPA)

EDUCATION

B.E. Electronics and Communication Engineering

UVOC | Anna University | 2021 - 2025
